

Freedom Fighters Assemble E4 - FOIA: What it is, and how to make it work for you

	What does your state need or suggest for this?	What does your state need or suggest for this?	What does your state need or suggest for this?
*Requirement #1: Who can request records?			
Requirement #2: Whose records are and are not subject to the Act?			
Requirement #3: Record categories - open or closed			

*These requirements and many others are easy to find for each state just by clicking the gold “COMPARE” box under the heading for that state.

What other things besides these three items do you think you would NEED to know/have? (Indicate this/these below)
