

Freedom Fighters Assemble E5 - Censored? What should I do next?

	Idea #1	Idea #2	Idea #3
*Protections offered in your state			
Resources to help you if you're faced with censorship			
How to have a productive conversation with your administration			

*You can find these on the SPLC's [Know Your Rights](#) and [Law Library](#) pages

What other things besides these three items do you think you would NEED to know/have? (Indicate this/these below)
